*Celebrating 45 Years*

**Presentation Night  
2006 SEASON**

## President's Welcome

I would like to welcome you all to the 2006 New Town Eagles Soccer Club Presentation Awards Night.

Welcome to all invited guests, new comers to the club, those attending their first senior awards night and to all those that have been before.

It was a real pleasure to see some outstanding performances this year from both teams and individuals. A lot of players have displayed significant improvement in their performances from last season and I hope that they continue to do so for many years to come.

We had a few new coaches come into the club and that is always a big challenge, not only to see how they fit in but how the players will react and adapt to their style. I think all coaches, new and old, have done a really good job and I'm sure the players have learnt a great deal from them. Seeing so many young players playing in the senior sides was really great and knowing that they wanted to be there was really uplifting.

I do believe that if these guys and girls can stay together that this club will return to where it once was and again be the most feared and most successful club in the State. Well done to everyone.

I would just like to say a few quick thankyou's to all coaches, managers, supporters and committee members for making this year a very enjoyable season and I look forward to many more to come.

Thanks you to all the players for choosing to play for this great club and I hope that you all feel proud to play here. I feel honoured to be the President of this club and it makes me feel proud to be the President of a club that has so many committed and talented players within it.

I hope to see you all again next season and I hope to see a lot more of you at upcoming functions. Congratulations to those who win awards this evening but remember it all comes down to a team effort in the end. Also congratulations to those players who made representative teams this year.

Enjoy tonight and have a safe Christmas and New Year.

Darren Frost.  
President

## Premier League Seniors

It is always difficult to know where to start when composing a report or review of the season, Having seen the team play a number of times over the last few seasons, I knew they had some emerging talent (credit to their junior coaches) so accepting the job as senior coach was not a difficult decision and it was a challenge I was looking forward to.

Pre-season training went well with good numbers turning up. From these numbers a squad was chosen for the pre-season summer cup. We reached the final with some fine performances from a number of individuals but lost to University 2-0. To make the finals for the first time in a few years was a good start to the season for both the club and the players and I was quite optimistic about the coming season.

For those who don't know we had the youngest squad of players in the competition and as with most young players their form tended to fluctuate. Given the fact a number of them were playing their first full season in the premier competition I knew we would face some difficult games and possibly suffer some heavy defeats. I was prepared to accept this with a view of looking to the future. The experience these young players would gain would be invaluable and would stand them and the club in good stead in the years to come.

The first half of the season was disappointing in terms of results (a win and a couple of draws) but in a number of those games we played some good attractive football so we all remained optimistic. In the second half of the season things started to click, the chances we were creating started to go in and the results began to go our way (we won't mention the last game of the season though). We were the form side of the competition with a draw and six wins in a row, finishing mid-table. We know as a coaching / playing group we have a long way to go but if we keep making little steps forward, keep chipping away and stay focused I know the future looks bright.

To all the players, I know I haven't mentioned you individually because you all contributed throughout the season, thank you for your commitment and dedication to the cause. To Mark Broadbent (reserves coach) and Pop thank you, your input and support is appreciated. To all the other coaches of the youth, junior and women's teams, keep up the good work, your help in developing these players is invaluable.

To Peter Wass, my right hand man, my job was made so much easier because of your tireless work, advice and support, thanks Pete. To Vicky and staff who work in the kiosk, well done, To my partner and soul mate Amy, thanks for putting up with me. To the committee who have done a fantastic job in pulling this club together often with little support.

To the sponsors of the club thank you, your help in supporting this club is very much appreciated. Thank you to all the supporters who came to watch us week in, week out, we do hear you, even the advice given to the opposition and sometimes the officials.

Now on a note to finish. If this club is to go forward and all the hard work is to come to fruition, then I urge some of you to get on board and help in anyway you can. Far too often the work is left to the dedicated few. Andrew, Frosty, Wassy and co. have done a great job but they need other people to roll their sleeves up and get involved.

I look forward with great anticipation to season 2007. (Ian Parker – Senior Coach)

### Premier Women

After last year's success, we were put under a lot of pressure right from the start of the season. It seemed that last year's successes had upset a few clubs and they wanted revenge. It took Nelson to a new level and they needed to bring in the big guns just to beat us.

With the introduction of four new players, three returning from Glenorchy Knights, Jess Ranger, Nat Reardon and Jo Richardson and our new import from Queensland Chelsea Smiles, we knew we were in for another great year. Unfortunately we finished runner up in all competitions, the Premiership, Summer Cup and Statewide Cup. However, the girls should be very proud of themselves as I am of them.

This year Bliss Cantrell had another great year scoring 30 goals in the roster matches and 7 in other competitive matches to give her a total of 37 goals for the season.

Four players that should be mentioned for their efforts in making the southern team are Bliss Cantrell, Lauren Farquhar, Ashley Roberts and Casey Boulter. From all reports they were outstanding in both games against their northern opponents and were a major reason why the southern team was so successful. Congratulations to you from your team mates and myself.

I have no doubt that we will be bigger and stronger for the 2007 season and am looking forward to the start of next year. But as we are all aware we cannot do it by ourselves and it takes team effort to achieve success. Thanks to all the girls for making me look good as a coach because at the end of the day you played and all I did was give directions. If it wasn't for your skill, talent and ability we would not be the team that other clubs fear.

Once again thanks, and I hope to see you all next year.

Craig Jones

### Premier League Reserves

Thank you to all players, my Pop, the committee and especially the supporters. Thank you to all girlfriends, wives, mums and bosses for their support throughout the year. Thank you to Darren for all his efforts, the senior coach Ian Parker, Peter Wass and special thanks to Wade for his constant communication and supply of quality players when I needed them.

Full credit this year must go to all the players for their support to my-self and their willingness to learn. I was happy with the teams' positive attitude that lasted the entire season. This year every player improved in every aspect of the game. Well done lads!

Keep fit and in shape over the summer. Make it easy on yourselves for pre-season.

Cheers

Broady

### Under 19's

The 2006 season started off very well. With only a week to prepare the side for the opening game of the season I thought we would struggle, but instead we did quite well. At the end of the first half of the season we were looking good, as we were only 6 to 7 points from top spot on the ladder.

Unfortunately for the under 19's as a premiership contender, injuries and suspensions in both the senior and reserve sides left gaps that needed to be filled by our players. This did not enhance our chances of winning the premiership; however all the boys that stepped up to fill the vacant spots did acquit themselves very well so this was a pleasing aspect.

The future of the club looks bright. Many if not all the under 19's will be playing reserves and seniors in years to come and I look forward to following their progress.

Finally I would like to thank the following: Darren Frost, Vicki Bones, Andrew L, Ian Parker, Peter Wass, Mark Broadbent, Les 'Pop' Broadbent and all the parents for their help during the year.

Last but not least, thank you to all the boys in the under 19 squad for their time and effort for the 2006 season.
